## NOTICE TO ALL ENROLLED STUDENTS OF ITT TECHNICAL INSTITUTE

September 6, 2016

The State Council of Higher Education for Virginia (SCHEV) has been notified that *ITT Technical Institute* has voluntarily ceased offering postsecondary education and will close all of its campuses. SCHEV is working with *ITT Technical Institute's* accrediting agency, Accrediting Council for Independent Colleges and Schools (ACICS) and the US Department of Education to determine alternatives for students enrolled at *ITT Technical Institute* at the time of closure. Furthermore, SCHEV will work with the administration of the institution to obtain academic and financial records for current students as well as ensure that the preservation of student records for all former students meets Virginia regulatory requirements.

Please monitor this website for additional information as it becomes available.

Sincerely,

A handwritten signature in black ink that reads "Sylvia Rosa-Casanova".
