

Resolutions for Commonwealth Cyber Initiative Node Certification

Should VRIC members choose to certify one or more of the Commonwealth Cyber Initiative Regional Nodes, then the resolutions below would pertain.

Preface to All Resolutions Below

(read once and then read the relevant Node-specific language below for each node to be certified; one vote to certify nodes collectively)

WHEREAS, Item 252 B.4. and B.7., Chapter 2, 2018 Special Session 1, assigns responsibility to the Virginia Research Investment Committee to establish a process for certifying regional nodes for the Commonwealth Cyber Initiative (CCI) “based on a plan for institutional investment, industry partnership, enrollment growth, and research focus areas”; and

WHEREAS, the Committee established the process, issued instructions and received four applications from regional nodes seeking certification; and

WHEREAS, the Committee concludes that the applications comply with the process and instructions referenced above (pending any revisions requested by Committee members at this meeting);
