Library of Virginia

Boardroom, 1st Floor

800 E Broad St, Richmond, VA 23219

10:00 AM – 3:00 PM

We are looking forward to your attendance and participation at the Student Advisory Committee meeting. This meeting will take place in the **Library of Virginia, 800 E Broad St, Richmond, VA**. Please review SAC meeting details and arrival instructions below:

Preparations

In addition to one announcement about the climate or happenings on your campus, please be prepared to **discuss your institution's engagement in meeting basic student needs, specifically food and housing**. Many students in the Commonwealth experience financial fragility issues, and struggle to afford to eat, pay rent, buy their textbooks, and care for their families. Please assess your school's provided services and policies that both support and/or hinder advancements in these areas. Please think about how your institution could better address the basic needs of students on your campus and note suggestions. Who do you see struggling? Are there specific subpopulations being challenged more so than others? How could campuses, with support from the state, help meet needs? How can you use your voice to advocate for your fellow students? Are students on your campus currently engaged in providing support for their schoolmates? If so, how?

Time

Roundtable will meet from 10:00 AM – 3:00 PM.
