

COLLEGES AND UNIVERSITIES IN VIRGINIA

Check out
Virginia's colleges
and universities

Virginia's higher education options are as diverse as its landscape. Students can earn a certificate or transfer degree through one of the state's 2-year institutions or regional education centers, which can lead to a bachelor's degree at one of the many Virginia 4-year public or private institutions. The Commonwealth's schools offer career pathways, highly ranked undergraduate programs, competitive tuition, and financial aid programs. The campuses are beautiful, and range from metropolitan-based settings to classic college environments nestled in the mountains or along the shoreline and everywhere in between. Provided by ECMC and State Council of Higher Education for Virginia (SCHEV)
Educational Credit Management Corporation (ECMC) – www.ecmc.org

ECMC is a nonprofit company with a mission to help students succeed. We work to lower student loan default rates; sponsor college access and success initiatives, and financial literacy programs; and provide resources to support student loan borrowers to successfully repay their loans.

State Council of Higher Education for Virginia (SCHEV) – www.schev.edu

SCHEV is the Commonwealth's coordinating body for higher education. SCHEV makes policy recommendations to the Governor and General Assembly in areas such as operating and capital funding, student enrollment projections, and student financial aid. SCHEV approves new academic programs to be offered and certifies colleges to operate in Virginia. SCHEV also has oversight for a variety of educational programs to help promote greater access, quality, affordability, and accountability.
