

2019-2020 Open Houses for Virginia Colleges & Universities

Visiting a college is a great way to "see yourself there (or not)"! Open house events provide that opportunity. Many schools require that you register before coming to these informational and tour events. Click on the college's link in the left column to be taken to their Open House website to register or learn more. Be sure to check their website and/or call the college in advance to verify the date and time as dates may change.
